POST CARD

THE NORTH POLE, ARCTIC CIRCLE

Dear _____

You might be surprised that
 I am writing to you.
 I have taken special interest in
 how good you've been all year.
 I have been so happy to find out you are
not on the naughty list!
 The elves are working overtime
 making sure I will have plenty of toys
 for you and all the good children
 in the world.

Merry Christmas

Much love to you
